

# Colorado WaterWise 2nd Annual Conservation Workshop

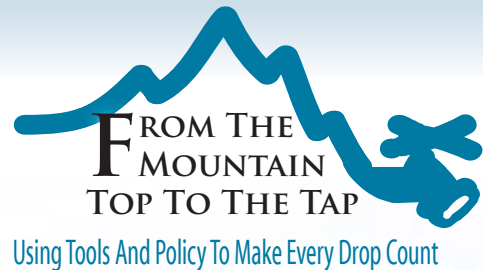

## CONFERENCE SPONSORSHIP OPPORTUNITIES NOW AVAILABLE!

September 24, 2010

From the Mountain Top to the Tap provides you with leading edge concepts and tools for facing Colorado's current and future water challenges. This event provides a unique platform to address the science and policy interface of water conservation in the current context of statewide planning efforts. The dynamic line-up of speakers offers the opportunity to gain valuable technical information about water conservation lessons learned and policy issues. This is a well-targeted audience of 150 professionals with a desire to learn more about water conservation.
